IF YOU'RE LOOKING FOR AN ACTION-PACKED GETAWAY, SAN DIEGO HAS ALL THE RIGHT ELEMENTS FOR TRAVERSING LAND, SEA AND SKY

STAY

Book a room with a 180-degree view of the ocean at **Pier South Resort**, just steps from the Imperial Beach Pier. They have bikes, kayaks and boogie boards available for rent, and are near the Tijuana River Estuary nature preserve. A stay at **Sheraton San Diego Hotel & Marina** on Harbor Island calls for Jet Skiing, sailing, stand-up paddleboarding and sportfishing charters. The vintage **Villa Capri by the Sea** is right by Coronado Beach and within walking distance of the shops and restaurants on Orange Avenue.

EAT

Start the day with a craft coffee and breakfast burrito at **Dee's Newbreak**, a laid-back local's café in Ocean Beach. Enjoy prime rib and martinis after a day at the races at **Bully's Del Mar**, a steak house favorite for 50 years. Just

down the street, **En Fuego Cantina and Grill** serves up swordfish tacos and margaritas. Dine on authentic Neapolitan pizza at **Officine Buona Forchetta** in Liberty Station. Adventurous eaters shouldn't miss the bison tartare and antelope sliders at **Lion's Share**—or **Tacos Perla** in North Park, where crickets come as a taco topping.

PLAY

Strap in to the longest zipline in California at **La Jolla Zip Zoom**, on the Pauma and Yuima Indian Reservation in Pauma Valley. Pick one of four courses ranging from 300 to 2,700 feet, and get ready for speeds as high as 55 miles per hour as you fly over treetops and rivers. **Mission Bay Sportscenter** rents everything you could possibly want for a day on the water, from WaveRunners to sailboats, pedal boats and kayaks. For a heart-thumping experience, get face-to-face with great white sharks on a cage diving journey in Baja with **Shark Diver**.
